FRONX
FRONX
SUZUKI

THE SUZUKI FRONX IS UNLIKE ANY OTHER SUV ON THE MARKET.

From its stylish coupé design and striking design elements of other Suzuki models, to innovative technology that ensures exceptional safety and driving comfort.

The Suzuki Fronx represents the “Next Frontier” of SUVs and evokes a daring free spirit. Designed for those who are fearlessly shaping their own path in life, with attitude and style.

TURN HEADS WHEREVER YOU GO

THE PROUDLY-DIFFERENT, SUZUKI FRONX BOASTS DYNAMIC DESIGN WITH ARRESTING STYLING.

It strikes a commanding presence on the road, thanks to its bold front and rear fascia, and muscular shoulder lines.

- **Geometric Precision Cut Alloy Wheels**
- **Grille & Striking Front Fascia**
- **Aerodynamic Design**

WHERE POWER MEETS INNOVATION

THE SUZUKI FRONX COMES WITH A POWERFUL 1.5-LITRE K15B PETROL ENGINE, GIVING YOU IMPRESSIVE POWER OUTPUT OF 77KW AND TORQUE OF 138NM.

The engine is paired to a five-speed manual or a four-speed automatic transmission, making this the perfect crossover SUV for city driving and outdoor adventuring. This performance is matched with good fuel efficiency.

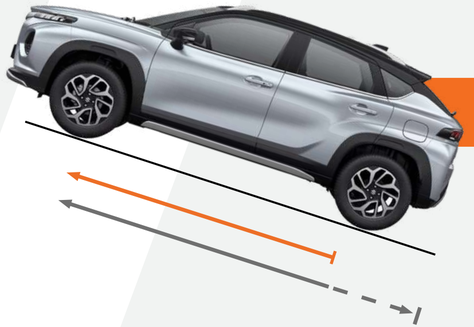
The Fronx Manual Transmission offers 5.5ℓ/100km and the Fronx Automatic Transmission 5.7ℓ/100km.

SAFETY FIRST

FEEL SAFE, KNOWING THAT THE FRONX COMES WITH A HOST OF SAFETY FEATURES DESIGNED TO PROTECT THE DRIVER, PASSENGERS AND PEDESTRIANS.

AIRBAGS

All Fronx models come standard with six airbags, including dual front, side, and curtain airbags, providing comprehensive protection for both the driver and passengers. All seats have three-point seat belts, plus the front seats have pretensioners and force limiters, ensuring everyone inside is as safe as possible.

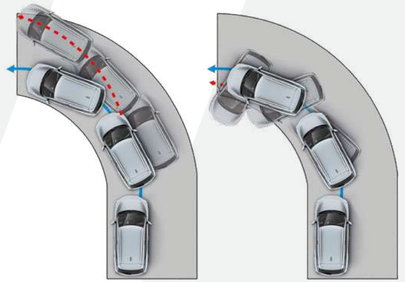


HILL HOLD ASSIST

This is an important function that prevents the vehicle from rolling backward when the driver releases the brakes during standing starts on hills or slopes.

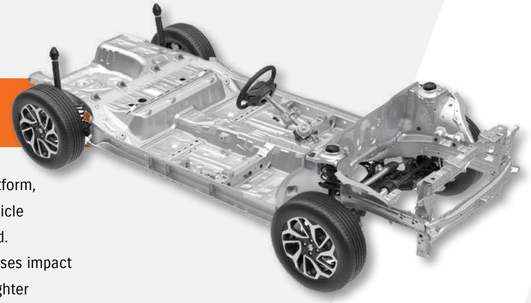
- With hill hold control
- Without hill hold control

ELECTRONIC STABILITY PROGRAM (ESP®)



Stay in control on the road with ESP®, which automatically takes control of the engine torque and brakes to help you maintain directional control when the road is slippery or you have to turn the wheel sharply.

HEARTECT PLATFORM



The Fronx rests on Suzuki's HEARTECT platform, which delivers enhanced fundamental vehicle performance as it is lighter and highly rigid. Its smooth, curving form effectively disperses impact energy in the case of a collision and its lighter weight ensures fuel efficiency.

WHERE LUXURY & SOPHISTICATION MEET

YOU'LL FEEL THE DIFFERENCE FROM THE MOMENT YOU GET INSIDE.

The dual-tone dashboard with special forged metal finish and accents adds a quality touch to the interior and accentuates the steering wheel and infotainment system.

Every detail has been considered to make your driving experience effortless - from the driver armrest, rear AC vents to the fast-charging connectivity.

- **Cabin Space** - Luxuriate with plenty of room for five adults.
- **Luggage Capacity** - Enjoy a roomy luggage capacity of 304 litres while the low opening height makes loading and unloading a breeze.

TOUCH INNOVATION

THE SUZUKI FRONX IS PRIMED WITH THE LATEST TECHNOLOGY TO ENHANCE YOUR DRIVING EXPERIENCE.

The Suzuki Fronx is primed with the latest technology to enhance your driving experience. The 9" (GLX) and 7" (GL) infotainment system takes centre stage and offers a premium display for maximum convenience.

Another impressive feature is the **360° View camera* and Head-Up Display*** designed to keep you safely in control of your environment.

*GLX Model

HEAD-UP DISPLAY

CONTROLS

360° VIEW CAMERA

CONNECTIVITY

- **Cruise control** and steering-mounted controls ensure an added touch of comfort.
- Supports both Apple CarPlay® and Android Auto™ **smartphone connectivity.**
- **The home screen and quick-access hub screen** are customisable by setting frequently used functions on the screens.

READY TO SHAPE YOUR NEW?

SHARP DETAILS, INTUITIVE TECH, AND PREMIUM FINISHES, PUTS THE SUZUKI FRONX IN A LEAGUE OF ITS OWN AND OPENS UP A WORLD OF POSSIBILITIES FOR YOU TO EXPLORE.

* Bluetooth is a registered trademark of Bluetooth SIG, Inc.

** ESP is a registered trademark of Mercedes-Benz Group AG.

The ESP is designed to help keep the Fronx under control. However, its effectiveness depends on driving conditions and the state of the road surface. If the tyres exceed their grip limit and the wheels start to spin or skid, it may not be fully effective.

SUZUKI COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our 'Suzuki Complete' package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty
All Suzuki models are covered by a comprehensive promotional warranty against any defects for a period of 5 year/200 000km. This is supported by a six-year body corrosion warranty subject to terms and conditions.

Service Plan
The Fronx benefits from a 4 year/60 000km service plan. This plan includes the replacement of oil, the oil filter, fuel filter, brake fluid, air filter and accessory belts, but excludes tyres, brakes and other wear-and-tear items.

Service Intervals
15 000 km or one year, whichever comes first.

Roadside Assistance
Every new Fronx comes with a five-year roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.

All care is taken to ensure the accuracy of this brochure at the time of print approval. Specifications, features, prices and model availability may vary from those specified and may change without notice. Always consult your authorised Suzuki Dealer or refer to www.SuzukiAuto.co.za for the latest details on all models. SUZUKI AUTO South Africa (PTY) Ltd will not be held liable for any loss as a result of reliance on the content of this brochure, whether in negligence or otherwise. Vehicles are shown for illustrative purposes only and may not depict exact specifications.
